IMRAN KHAN

Previously, he held key leadership positions in the hospitality and retail sectors. As Restaurant Store Manager at Pizza Italia, he played a pivotal role in scaling operations and implementing innovative franchise models. Prior to that, at Levi Strauss & Co. in Amritsar, he served as Store Manager, significantly enhancing store performance through process improvements, team training, and merchandise optimization.

His journey in hospitality began at Bees Restaurant, where he managed lounge operations, events, and team coordination with great success.

Imran holds an MBA from Aligarh Muslim University, where he graduated with honors, as well as a Bachelor's degree in Commerce from the same institution. During his academic years, he was actively involved in cultural and sports activities, excelling at both the inter-college and state levels.

Outside of his professional life, Imran is passionate about traveling, swimming, and music, and he continually seeks new knowledge and inspiration through these interests.

A firm believer in professionalism, dedication, and continuous learning, Imran approaches every professional opportunity with a commitment to excellence and long-term impact. His ability to combine strategic vision with hands-on execution makes him a valuable asset in any organizational setting.

“

He remains committed to delivering excellence through innovation, strategic planning, and people-centric leadership. Imran continues to seek roles that challenge his abilities and allow him to contribute meaningfully to organizational growth. Driven by a passion for operational excellence and a deep sense of accountability, he aspires to be a catalyst for positive change in any enterprise he becomes part of .

Imran firmly believes that true leadership lies not just in achieving targets, but in inspiring others to grow, succeed, and lead with purpose. With a strong foundation built on values, discipline, and vision, Imran is ready to take on new challenges that align with his professional aspirations and personal principles.
